

Installing StudyMate software on your PC

1. Log in to Blackboard from <http://courses.missouri.edu>.
NOTE: If you do not have an account on Blackboard, you may download it at the technical support/registration desk.
2. Click on the “Resources” tab on the top of the page.
3. Look for the “MU StudyMate Author” module in the right column on this page.
4. Download the software to your computer by clicking the link in the 3rd paragraph, “You can obtain a copy of the StudyMate Author software by downloading it [here](#).”
5. Leave the Web page open. You will need to refer to license information later.
6. Accept the default settings during installation, and enter the license information exactly as it appears on the Web page.
